

Landing Table

Model KD-LT-5002643

Landing table with dump tray is designed form small to large volume fried food operations.

Design Features

- Enclosed on all four sides to prevent products from fallin on the floor
- Designed for a full size baking sheet & grate
- Two convenient storage shelves
- Top is removable for cleaning or can be used as a table top unit
- Caster for easy mobility
- Curved top edges allow the unit to be paced along side most fryers to eliminate crumb droppings on the floor
