Equipment Stand w/Frame

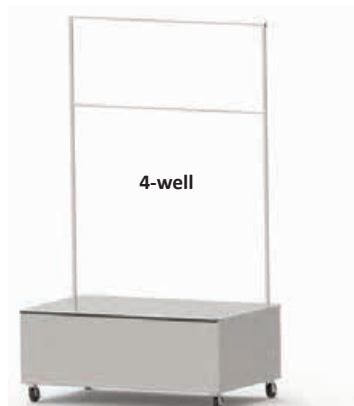

(For KD-FSM & SSM Warmers)

KD-ES Series

All **equipment stands** from **KITDELSM** are designed for our **KD-FSM** and **KD-SSM Heated Deli Display Cases**. They provide a low-profile, portable base that places the warmer at a convenient height for customers.

- Available to accommodate every size Case including 3-well, 4-well, 5-well, 7-well.
- All stainless steel construction for durability.
- 5-inch, swiveling casters provide for easy movement and maneuverability when needed; all are equipped with brakes to create a stable platform when positioned.
- Stainless steel tubular frame to support menu boards or other signage. Easily removeable without tools.
- Front bumper guard helps protect the finish.
- Open-back design features adjustable shelving which is easily removable for cleaning. The open back is a great storage for utensils, empty pans, etc.
- Fasteners included for securing the Display Case to the Stand.
